Dated: April 11, 2023
New York, New York

Dear Judge Schofield,

My office represents Plaintiff, Seafood Trading Corporation in the caption litigation. I write to provide the Court and your Honor with a report on the efforts to serve the defendant and to request that the Initial Conference now scheduled for April 12, 2023 be adjourned.

I must report that plaintiff has not yet served the defendant and will have service completed by the end of this week. Service of the defendant was not completed due to an oversight by the undersigned. The Court's Order of April 7, 2023 alerted my office to that oversight. Again that oversight will be addressed this week.

As a result of the foregoing I ask that the date of the Court's Initial Conference be adjourned until May 31, 2023 to be held at a time of the Court's convenience.

The undersigned is prepared to address any question which the Court may have with respect to the foregoing request.

Respectfully submitted,

John F Ryan
